

# SPF

## SURFACE PROTECTION FILM

### TECHNICAL DATA SHEET

ExoFilm SPF is a high-performance surface protection film engineered to safeguard natural stone, acrylic, marble, ceramic, stainless steel and painted surfaces from scratches, stains, and daily wear. Featuring advanced durability, spectacular clarity, and an easy-to-apply adhesive, SPF preserves the pristine appearance of surfaces while enhancing their longevity. Ideal for both residential and commercial settings, ExoFilm SPF provides an invisible yet robust layer of protection, ensuring that every surface remains flawless and vibrant.
