

GENESIS GLOSS

TECHNICAL DATA SHEET

GLOSS, the flagship clear gloss paint protection film (PPF) from the Genesis product range, is designed to enhance a vehicle's natural finish while providing superior, long-lasting protection. Its advanced composition ensures that the original paintwork is not only preserved but also elevated with an ultra-glossy, clear coat that amplifies the vehicle's shine. By maintaining this pristine appearance, GLOSS offers a luxurious, showroom-quality finish that resists the wear and tear of daily driving.
