

DEFENSE

TECHNICAL DATA SHEET

DEFENSE, the advanced clear paint protection film (PPF) from the EXOFILM range, is engineered to provide durable, long-lasting protection while preserving the vehicle's original finish. Its high-performance construction helps shield the paintwork from everyday road hazards such as stone chips, light abrasions, and environmental contaminants. With excellent optical clarity and a smooth, refined surface, DEFENSE maintains the natural look of the paint while enhancing overall surface integrity. Designed for dependable performance, it ensures the vehicle retains a clean, well-protected appearance even under regular driving conditions.

Material type	TPU	TENSILE STRENGTH	22.1 MPA
Thickness	7.5 Mil	PEELING FORCE (24H)	2877GF/INCH
